

Funding of maritime initiatives

European funding (ERDF/INTERREG):

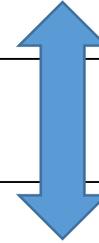

- The ERDF-fund is small in Västra Götaland (33 MEUR for 2014-2020), but popular
- INTERREG-programmes are not as popular..

Power Cluster (2008-2011)

Funding: 5 MEUR- North Sea Programme (IVB).

Swedish partner: Chalmers University of Technology

Regional funding:

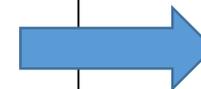

- 2007-2012 about 100 MSEK (11 MEUR) co-funding to over 100 initiatives
- Yearly maritime budget: about 25 MSEK (2,7 MEUR)
- Focus on the maritime clusters

Power Väst (2008-)

Regional triple-helix collaboration platform.

- More electricity from wind power
- More employment opportunities in the sector

Wind Lab

Test arena for sustainable energy technology
